Property Fraud?

Real property fraud is where a party fraudulently records documents against your property for financial gain or to take over ownership without your knowledge.

Why should you be concerned?

Real property fraud is a fast-growing crime as damaging as identity theft, with the added risk of losing your property.

How do you protect yourselves?

Burleson County and the County Clerk are introducing GovOS Property Alert – a free real property fraud alert system. After creating an alert record, you will receive email notifications anytime a document is recorded against your property or name.
